“Included in the bargaining unit: All full-time and regular part-time professional employees, including classroom teachers, librarians, guidance counselors, school nurse, and Title I Teachers.”

“Excluded from the bargaining unit: Superintendent, principals, athletic director, director of Chapter I grants, all non-professional employees, and all those excluded by Section 4 of the Act.”

B: Definitions:

1. The term “Board,” as used in this agreement, shall mean the Board of Directors of the Prairie Valley Community School District.
2. The term “employee” as used in this agreement, shall mean those employees as are described in the “ORDER OF CERTIFICATION,” Case No. 4976 of the Public Employment Relations Board.
3. The term “Association,” as used in this agreement shall mean the Prairie Valley Community Education Association as certified by the Public Employment Relations Board.

ARTICLE II: SEPARABILITY

In the event that any provision of this Agreement shall become void or illegal during the term of this Agreement, such provision shall become inoperative, but all other provisions of this agreement shall remain in full force and effect for the duration of this Agreement.

Should an article be held by the courts to be illegal, then only that part found illegal shall be re-negotiated, at the request of either party, providing it is a mandatory item of negotiation.

ARTICLE III: GRIEVANCE PROCEDURE

- A. A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this Agreement.
- B. (1) Every employee covered by this Agreement or the Association shall have the right to present grievances in accordance with these procedures.
- (2) The failure of an employee or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- (3) It is agreed that any investigation or other handling or processing of any grievance shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff, unless mutually agreed otherwise.
- C. (1) First Step:
An attempt shall be made to resolve any grievance in informal, verbal discussion between complainant and his/her principal, or designee.
- (2) Second Step:
If the grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the principal or designee. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within fifteen (15) calendar days of the date of the occurrence of the event giving rise to the grievance. Within five (5) school days of receipt of the written grievance, the principal shall schedule a meeting to discuss the grievance. The principal shall make a decision on the grievance and communicate it in writing to the employee, the superintendent, and the Association within ten (10) school days after the meeting.

(3) Third Step:

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee or the Association shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and the Superintendent or his/her designee shall meet to resolve the grievance. The Superintendent or his/her designee shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the employee, the principal, and the Association.

(4) Fourth Step:

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee to the Superintendent within twenty (20) school days from receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within five (5) school days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within five (5) school days, the P.E.R. Board will be requested to provide a panel of seven (7) arbitrators. The parties shall determine by lot which party shall have the right to remove the first name from the list. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the Arbitrator. The decision of the Arbitrator will be binding on both parties. Expenses for the Arbitrator's services shall be borne equally by the School District and the Association. The Arbitrator, in his/her decision, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the School District and the Association and his decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

- D. Beginning with the second step an Association representative may be present at all meetings, and, if desired by the grievant, may act as his/her representative.
- E. Should a grievance arise during the summer or be filed at such a time that processing according to the normal time lines of the agreement would continue into the summer, references in this Article to school days shall automatically convert to calendar days during said summer vacation upon mutual agreement.
